SERVICE BULLETIN

N° 101-37 Rev. 1

SN CENTRAIR GLIDERS

101, 101A, 101P, 101AP

Page 1/1

SUBJECT : - REVISION OF THE MAINTENANCE MANUAL
- REVISION OF THE FLIGHT MANUAL

ENGLISH VERSIONS OF MANUALS coded A

VALIDITY : SN CENTRAIR 101, 101A, 101P and 101AP gliders, all serial numbers
excluding registered gliders in the USA

PURPOSE : Document update to improve monitoring of the correct operation of
the glider

APPLICATION : To be applied by **01/10/2016** at the latest

DESCRIPTION :

The drafting of the SN CENTRAIR 101, 101A, 101P and 101AP gliders Maintenance Manual has been reviewed.

You are requested to replace the existing Maintenance Manual (Issue 3) with this Manual (Issue 3 rev. 1) and to take note of the technical changes.

Similarly, you are asked to replace the existing Flight Manual (Issue 2) with this Manual (Issue 2 rev. 4).

These changes will be mandatory as from the application date of this Service Bulletin.
